# WELLBEING

I have a huge breakfast every morning because I never know if I'll have time for lunch, especially during Fashion Week. It keeps my mood positive all day. And my parents taught me to have tons of fruit and vegetables, which I think helps my skin.

# MIGHTY

Whoever said that money can't buy happiness, simply didn't know where to go shopping. Elegance is the only beauty that never fades.

If I can have any impact, I want women to feel good about themselves and have fun with fashion. When in doubt, wear red. Fashion is instant language.

# GLOBE

Fashion and wearing clothes is a daily routine for everybody. What better way to spread the word of giving back and philanthropic ways of life than to wear something that gives back to charity?

LIVE

As a fashion designer, I was always aware that I was not an artist, because I was creating something that was made to be sold, marketed, used, and ultimately discarded.

Your dresses should be tight enough to show you're a woman and loose enough to show you're a lady.

# RELIGIOUS

Fashion is not something that exists in dresses only. Fashion is in the sky, in the street, fashion has to do with ideas, the way we live, what is happening.

Fashion is what you're offered four times a year by designers. And style is what you choose. A girl should be two things: classy and fabulous. Style is knowing who you are, what you want to say, and not giving a damn.

# WORHTY

Defeat the negative, accentuate the positive! Fashion can be bought, style one must possess! Fashion is very tough, and we shouldn't forget that before designers were money-masters, they were artists.

The difference between style and fashion is quality. Fashion is what you're offered four times a year by designers. And style is what you choose. A girl should be two things: classy and fabulous. Style is knowing who you are, what you want to say, and not giving a damn.

# LOOK

Style is knowing who you are, what you want to say and not giving a damn. Style is when they're running you out of town and you make it look like you're leading the parade.
